## Series TGIF

By 9:00 o'clock the sun was shining, the birds were singing, and there was nary a dark cloud on the horizon.

Everyone shook off their cabin fever and began pulling in. It was obvious we would fill up our overflow spaces as well. We had 328 registered, plus all the Club members' cars.

I took the new (to us) '34 Ford Bonnie & Clyde car and used it as a billboard to display our TGIF stories. It was better than my little red MG because it has way more windows...and I have way more stories.

A couple of these pictured were big winners, and for sure, there were brighter colors. But some were just too cool to walk on by. A few will be upcoming stories.

And if you get a chance, fire off a phone call or email to thank my sponsor, Lakeview Automotive. They make it possible to bring you this stuff.

Also, our Wednesday Cruise Nights started up this week on the grass at the Military Museums on Crowchild Trail and Flanders Ave. We rarely miss one.
